Broken Wing Empowerment

This is a very easy to use form and is a free self-attunement that I have placed into the etheric realms for anyone to receive whenever they wish or need to use.

The Broken Wing Energy is a form you can call upon at any time, day or night and is very easy to use as well.

To first be attuned to this form you can simply go into a meditative state and call upon this energy and ask to be attuned to its highest power.

Example: “I am now ready to receive the Broken Wing Energy Empowerment set by Nicole Lanning. Thank you”

This will begin your first attunement to this energy!

This energy is a nature based energy form. It was channeled in during my 35th birthday why in a channeling and meditation session out in the park. This again is a nature based energy form.

It was shown to me as being a broken wing, hence the title. Now the energy form is for those who are Earth Angels and working on helping others on this planet. What this energy will do is to help you ground, center and be called back to your nature state why connecting with others on the same vibrational level. This is a personal form that can be used for these purposes as well as to send healing to Mother Earth for healing.

You can turn this on and off at any given time. No need for big long rituals or long extension meditations, as this is meant to be used for grounding, centering, tapping into Mother Earth as well as healing her. This is not a form to heal others with but a spiritual development, enlightened awareness, and a healing of Mother Earth.
