BALANCE OUT EMPOWEMENT

This is a simple energy for an energy boost to call upon when you need to balance out things going on in your life – hectic day, running around, lots to do, seem lost or out of control, overwhelmed – you need to get things back into balance.

This energy will help give you a calm sense of energy boost – sounds like the exact opposite I know – but the energy boost actually calms down of the chaos going on in and around your life at any give moment.

You can also send this energy to others for healing and balancing out their issues in their life, but only with permission, either from themselves or their higher selves. This is good to use when you know they are going through a chaotic or hectic time in their life and they need things balanced out, slow down and calm down to get back in alignment and balanced.

There are no symbols with this form, as it is the pure energy in and of itself that is called upon when needed.

The Balance Out Empowerment is a form you can call upon at any time, day or night and is very easy to use as well.

To first be attuned to this form you can simply go into a meditative state and call upon this energy and ask to be attuned to its highest power.

Example: “I am now ready to receive the Balance Out Empowerment set by Nicole Lanning.”

This will begin you first empowerment to this energy!

Once you have been attuned to this energy the first time, you can then call upon this energy at any day and time that is need by simply stating “Balance Out Energy Activate” or “Balance Out Energy On” etc- however you feel most comfortable working with this energy.
