ABOUT THE MAKE A WISH BLESSING

The purpose of the Make a Wish Blessing is simple: To help your wishes come true!

Have fun with this energy! It will probably work best when you are not taking it seriously. This energy is also an experiment, so let go of expecting anything from it. If it works, great, if not, try again! Having a light-hearted attitude will keep you open to the best things coming, things that maybe you didn't expect.

Try to work on one wish at a time with this energy. Give it a little space to come true. You can of course work on as many wishes as you want at once, but try to keep your energies as focused as possible on one wish, and then move on to other goals.

This energy only works with good intentions. Don't use your wish to try to hurt someone else or take away free will. For example, using your wish to try to break up a happy marriage so you can steal a husband away from his wife is bad karma. This is not a good use of your energy. Instead, wish for the right relationship for you to come along in the right way with the right timing.

TO ACTIVATE

For yourself: Sit down, close your eyes, and focus on your wish. Imagine fairy dust being sprinkled all around you.

To send a blessing to someone else: Send your wish to them and see them surrounded with fairy dust.

To make sure you open yourself up to the best possible outcome, add the universal disclaimer:

May this, or something better, manifest now for the highest good of all concerned.

PASSING ATTUNEMENTS

Connect to your higher self, and then the higher self of the recipient. Imagine you are surrounded by a group of good fairies who are going to help you send the attunement.

Then, whether in person or via distance, imagine that the fairies are sprinkling magic fairy dust over the recipient. "Blow" the fairy dust into the crown with your tongue on the roof of your mouth.

There is no time-limit or limit on re-attunements.

This energy can be freely shared with anyone, and it is also OK to charge for providing a personalized attunement if you offer attunements as part of your Reiki practice.
