Ray of Hope Empowerment

The Ray of Hope Empowerment was actually channeled in while I was personally going through a tough period in my own physical life issues. I was still on a good course in my own spiritual path and enlightenment but some physical issues had arisen in my life and this was channeled in during one of my meditation and channeling sessions with my guides. This one has done a lot to change things around not only in my own life but as well as others that I have shared this system with. At first I was not going to release this to the public and only going to share it amongst those I knew and the ones that needed the help, but then more and more signs kept being shown to be that it was finally time to get this manual typed up and the form out there for all to share. This is a **FREE SELF ATTUNEMENT** that I have set into the etheric realms for all to share and receive whenever it is best for them! I believe after all this has changed my life, and those I have shared it with as well as the messages I have received during meditations, channeling as well as afterwards that this is meant to be a **FREE SELF ATTUNEMENT**.

This energy is to be used when you need that extra boost of hope, confidence, a positive outlook and attitude, trust, desire, wish, etc. This is an energy that once you have been attuned to this and you need that extra boost of hope and help you can call upon this. When you do this energy will release your negative issues with the problem you are being bothered by and fill your auric layers with positive Universal Life Force Energy. This is not a permanent fix, as it is up to

you to complete the journey by dealing with the issues on the physical plane or whichever plane you issues reside on, but this is ultimately up to you to do, not others and there is no magical cure, no magical Reiki or energy form – but it is ultimately up to you to realize the problem, come to terms with it, follow your guided intuition and go with your gut to follow inspired action to resolve or release this to be resolved, depending on the issue.

What this energy form can and will do is give you that extra bit of hope and energy to help deal with the issue at hand and remove the negative and refill with positive so you can learn to deal with it and resolve it as it is best for you. Have you ever had a friend who called just at the right time when something was bothering you and they gave you that right piece of advice and help and it made you feel just a bit better about the problem. This is similar to that effect without the friend and relying on yourself and your faith and belief that you can fix it, but it gives you the hope to help bring you up to the positive vibrational level so that you can deal with it and move on.

Attunement Procedure:

“I am now ready to receive the Ray of Hope Empowerment” set in the etheric realms by Nicole Lanning for the highest good of all. Thank you.”

How To Use The Energy

You can simply say things such as:

Ray of Hope Empowerment On OR Ray of Hope On

It is not a matter of what you say or the exact words, but the feeling and intention behind them that are what are the key to turning this energy on and off.
